EDUCATION

Dr. A. P. J. Abdul Kalam Technical University, Lucknow	Dec 2020 – Jul 2024
B.Tech., Computer Science and Engineering	GPA: 8.2/10
Rani Laxmi Bai Memorial School	May 2018 – May 2019
Intermediate (Physics, Chemistry, Maths)	Percentage: 92.2%

PROJECTS

Gofood (Full-Stack Food Delivery Platform) Github Deployed Link *Jan 2023 – Aug 2023*

- Led end-to-end development of a scalable food delivery web app, from conceptualization to deployment, as a Full Stack Developer.
- Architected backend API using Node.js and Express, ensuring RESTful standards for seamless frontend integration.
- Engineered responsive frontend with React, implementing Redux for state management to enhance user experience.
- Integrated Stripe API for secure online payments and designed MongoDB schema for efficient data storage.
- Applied Docker for containerization, improving CI/CD pipeline and ensuring a consistent environment across development stages.

WeChat (Real-Time Chat Application) Github Deployed link *July 2022 – Feb 2023*

- Spearheaded development of a real-time messaging app, facilitating instant communication through a MERN stack framework.
- Implemented WebSocket with Socket.IO for real-time bi-directional communication between web clients and servers.
- Designed a secure authentication system with JWT to maintain user sessions and protect routes.
- Utilized Docker for application containerization, facilitating easy deployment and scalability.

Weather Webapp Github Deployed Link *July 2022 – Nov 2022*

- Developed weather forecasting application, offering real-time data visualization through API integration.
- Implemented AJAX for asynchronous web requests to OpenWeatherMap API, enabling live weather updates.
- Adopted responsive web design principles using Bootstrap, ensuring optimal viewing across various devices.

ACHIEVEMENTS

- Mastered 500+ data structures and algorithm problems on coding platforms (Leetcode, Codechef, etc).
- Ranked top 4% on Leetcode with 1911 rating, earned 3-star coder status on Codechef with a max rating of 1765, and progressed to Pupil level on Codeforces with a peak rating of 1387.
- Ranked within the top 2000 participants in Google Kickstart (Round-F) competition.
- Participated in almost 100 contests on CodeChef.

SKILLS

- **Technical Skills:** C++, JavaScript, HTML, CSS, Node.js
- **Certifications & Training:** Infosys Artificial Primer Certification, HTML 5, CSS3
- **Languages:** Fluent in Hindi (Native) and English
- **Tools:** Git, GitHub, MongoDB, Mongoose, VSCode
- **Frameworks:** ReactJS, ExpressJs, Bootstrap
- **Profiles:** Codeforces (Pupil), Codechef (3star), Leetcode (Knight)
